Claims 18 is the only claim currently pending in the present application. Claim 18 has been rejected under 35 U.S.C. § 103(a), as being unpatentable over Wodarz et al. in further view of Davis et al.

Applicant respectfully traverses the rejection. The Davis reference has a filing date of May 1999. The present application claims priority to patent application no. 08/787,979, having a filing date of January 22, 1997. Claim 18 is fully supported by the disclosure of the '979 application. Thus, the effective filing date of the present application antedates the Davis reference by more than two years. Davis is therefore an improper reference for rejecting claim 18.
